In the United States, Independence Day, also known as the Fourth of July, is a federal holiday celebrating the adoption of the Declaration of Independence (pictured above right) on July 4, 1776 - the day that America officially declared freedom from the Great Britain. The document was prepared in Philadelphia, Pennsylvania by a Committee of Five, with Thomas Jefferson as its principal author. The Declaration of Independence is more than just a piece of paper. It is a symbol of our country's independence and commitment to freedom. Independence Day is commonly associated with fireworks, parades, barbecues, carnivals, picnics, concerts, baseball games, and other events celebrating the history, government, and traditions of the United States. Independence Day is the national day of the United States.
